Dear ALLL Giovannimaria's friends,

I wish you a holy journey of Advent 2022 and a Christmas novena lived with an open and vigilant heart next to the Virgin Mother of the Immaculate Conception.

A small novelty on the site, a new page "dedicated to Gio" which collects some thoughts and musical and figurative works of art dedicated to Giovannimaria in 2022: <https://www.lalucedigio.it/dedicato-a-gio>
